## **DID YOU KNOW...**

the Fair Market Rent for a one-bedroom unit in the Bergen-Passaic area is \$1,120 per month? A minimum-wage earner (\$7.15/hour) must work almost 120 hours per week to afford a one-bedroom unit at Bergen County's fair market rate.

## **WE BELIEVE...**

that a stable home supports a stable life and that progressive independence helps develop potential. We recognize that the indignity of homelessness stifles individual potential and creates an unnecessary burden on our communities. Therefore, it is the mission of the DACKKs Group to expand the supply of affordable and supportive permanent and transitional housing for the homeless and special needs populations.

## **WHO WE ARE...**

The DACKKs Group for Supportive Housing Development, Inc., is a 501(c) (3) non-profit corporation dedicated to the development of safe, decent, and affordable housing for the homeless and special needs populations. We purchase, maintain, and manage properties throughout the Bergen, Passaic, and Hudson County areas to rent to those in need for 30 percent of their income – whatever their income. Because we rely heavily on volunteers, last year almost 90 percent of donations went to maintaining our properties and purchasing new ones.

Information filed with the Attorney General concerning this charitable solicitation may be obtained from the Attorney of the State of New Jersey by calling (973) 504-6215. Registration does not imply endorsement.
